ABOUT THE COACH

The 1968 School year was quite a haul for Head Coach Roland Schmidt. In addition to winning the MAC Baseball crown last spring, the young mentor notched his third consecutive 8-0 football campaign and now is the winningest football mentor in the country with 29 straight. The Colonel baseballers also had a seven game streak to open the 1969 season.

Coach Schmidt is a 1950 graduate of Coughlin High School and a 1956 Alumnus of Bloomsburg State College. The mentor was active in football and track for the both institutions.

Prior to moving to Wilkes in 1962 as head Baseball and Football Coach, "Rollie" served as an assistant at Abington Heights and Kingston School Districts.

1969 BASEBALL OUTLOOK

The Colonels of Coach Roland Schmidt are the defending MAC Northern Division Champs. After a 4-4 midseason log last spring the Wilkesmen surprised many by winning their last seven straight contests to capture their first MAC Crown.

The mound corps should be bolstered with the addition of Ted Sokolowski. The young freshman southpaw gives Coach Schmidt four pitchers from which to find a starter for each game. Joe Zakowski, Charlie Fick, and John Baranowski are back intact. The trio only offered opponents 2.02 runs per contest last spring.

Backstop position is deep with Joe Skvarla handling the chores. Bob Vignoli and Dave Kaschak, both newcomers, add sufficient depth. Infield is set with only thirdbase not occupied. Ted Yeager, Mike Bergbauer, and Kaschak all vying very closely for Captain John Ladomirak's vacant spot. Tom Higgins and Pat Salantri, .372 and .417 hitters respectively last spring, are one of the best double play combinations in MAC. George Stults will be secure at first.

Veterans Joe Wiendl and Carl Cook occupy two of the three outfield slots but the other slot remains up for grabs between Yeager, John Stanley, Don Reese, and Don Lewis.

Wilkes College had its beginnings in 1933 when Bucknell University, responding to a request of community leaders, established its Junior College in Wilkes-Barre. On June 26, 1947, Bucknell University Junior College came to an end and Wilkes College received its charter as a four-year, coeducational, liberal arts college. The College has grown slowly to its current enrollment of approximately 2,543 full-time students and 682 part-time evening school students.

From its inception, the College has been dedicated to these twin goals — a sound and stimulating intellectual experience for students and a program of service to the community.
